Attractive salary

To be successful in this exciting role you will have a passion for the community, possess excellent communication and negotiation skills and understand the process of partnership development and sponsorship. The role will work closely with NTCP partners, pursuing sustainable community based transport solutions, focusing on medical, youth and isolated communities.

Applications should be addressed to NTCP Project Manager, Community Accessibility Inc, PO Box 1596, Wodonga 3689 or by email helenvey@tpg.com.au. A position description is available by email or phone 0419 404 415. Applications must be received by 5.00pm Friday 3rd, February 2012.

This is a joint initiative between Alpine Health, Ovens & King Community Health Service, Community Accessibility Inc. and Alpine Shire Council.
